Liberty Youth Ranch and Title Sponsor *WCI Communities* have launched our Inaugural Charity Golf Tournament. The tournament will be held on **Saturday, October 16, 2004** at the luxurious world-class Tiburón community in Naples. Tiburon, The Ritz-Carlton Golf Resort has been named one of the best communities with one of the finest clubhouses in the southeastern US.

There are over 1,079 children in Collier, Charlotte, Glades, Hendry and Lee Counties who are under the supervision of the State due to abuse or neglect in their homes. Our goal is to provide a permanent, safe, stable environment where these children will learn self-respect, responsibility and accountability. They will receive therapy and the support necessary to break the cycle of abuse and neglect thereby changing their life and the lives of future generations.

When you consider your participation, please remember - your money will help a frightened, abused and neglected child live a life that until now they could only dream about. These are children whose parents have abandoned them; children who have been abused or neglected so severely they have been permanently removed from their home; children whose parents were killed and have no family to care for them.

As a tax exempt 501(c)(3) organization, Liberty Youth Ranch relies solely on financial support from individuals, businesses, churches civic groups, and foundations. We are grateful for every player and sponsor and look forward to promoting your community involvement as we build Liberty Youth Ranch. Thank you for your consideration. If you have any questions, please feel free to call me at (239) 597-7070.

For the children,

Alan Dimmitt
